## OUR STORY

---

We planted our first vines in 1961, but our love affair with the soil goes back to 1908, when Richard Stewart Sr., a horticulturist from Ireland, settled in the area.

From working the land, he would go on to establish one of the valley's most successful nurseries. Six decades later, his son, Dick, switched over to growing grapes. With the help of Dick's eldest son Ben and his wife Ruth,

Quails' Gate Winery was founded in 1989. Over the next two decades, the entire family became involved in making the company one of the leading producers of premium BC VQA wines.

Three generations have helped to build Quails' Gate into the award-winning winery that exists today. The pursuit of viticultural and winemaking excellence has remained the driving force behind everything we do.
